- Garden border
- Patio container

Name:	Silver flax
Full Name:	Astelia chatamica x nervosa 'Silver Shadow' PVR
Flower:	Insignificant white flowers followed by red berries
Leaf:	Metallic silver leaves with pendulous tips
Mature Size:	1.0m H x 1.2m S/Clump forming
Preferred Location:	Garden Border/Patio container
Likes:	Full sun and free draining soil
Dislikes:	Wet soil, full shade or temperatures below -5°C
Grown in:	Ireland

Astelia 'Silver Shadow' is the most silver Astelia to date. This compact growing new selection shows off its metallic silver pendulous leaves throughout the year. It is ideally suited as an architectural plant feature in a raised patio container or for garden borders in milder areas. Astelia 'Silver Shadow' is also quite drought and wind tolerant and therefore well suited for seaside gardens.
