Flower:	Small white flowers, lightly scented, in June/July
Leaf:	Small oval burgundy leaves with a cream and pink margin
Mature Size:	1.6mH x 1.2mS/Dense, upright growth
Preferred Location:	Garden border/Patio container
Likes:	Full sun or partial shade/Rich, moist soils
Dislikes:	Water logged soil and temperatures below -5°C
Grown in:	Ireland

Lophomyrtus 'Magic Dragon' is a striking new variety for your garden or patio container. With its richly coloured leaves in burgundy, cream and pink 'Magic Dragon' is an attractive all year round feature plant for containers or small gardens in milder areas. 'Magic Dragon' is a selection from the well known Lophomyrtus 'Red Dragon' and easy to grow. Protect container plants from prolonged frosts below -5°C. They may withstand lower temperatures when established in garden borders, but in areas that suffer from prolonged frosts below -7°C planting is not recommended.
